IDENTIFICATION NUMBER: C00153031

REFERENCE: 30 DAY POST-GENERAL REPORT (10/18/2012 - 11/26/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. The beginning cash balance of this report does not equal the ending balance of your 12 Day Pre-General Report (10/1/12-10/17/12). Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434)(b)(1))
2. The totals listed on Lines 6(c), 7, 15, 19, 20, 21(a)(i), 21(a)(ii), 21(c), 22, 30(b), 30(c), 31, and 32 Column B of the Summary and Detailed Summary Pages appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals. (2 U.S.C. § 434(b))
3. Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(c) prohibit a State, district or local party committee (combined) from receiving any contribution from a person or non-multicandidate political committee in excess of \$10,000 per calendar year.

If any apparently excessive contribution in question was incompletely or

incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR §103.3(b))

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

4. Schedule H3, supporting Line 18(a) discloses -\$26,653.25 in transfers from what appears to be the non-federal account of your committee.

If these entries were intended to represent a transfer(s) out or a reimbursement(s) to your non-federal account, they should be properly disclosed on a separate Schedule B, supporting Line 29 of the Detailed

Summary Page. Please amend your report and / or provide further clarification regarding these negative receipts from your non-federal.

You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. If any of these disbursements were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in kind contributions on Schedule B supporting Line 23, independent expenditures on Schedule E supporting Line 24, or as coordinated expenditures on Schedule F supporting Line 25. (11 CFR §§104.3(b)(3) and 106.1) In addition, if your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

5. On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category is incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals. (11 CFR §§104.10(b)(2) and 104.17(b)(1)(ii))

- Schedule B supporting Line 21(b) of your report discloses a payment for "GOTV-Phone Calls" which appears to be disclosed on the wrong line of the Detailed Summary Page. For your information and consideration when preparing future filings, please be advised that Voter Identification, Generic Campaign and Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot is considered to be Federal Election Activity and should be disclosed on Schedule B for Line 30(b) of the Detailed Summary Page. (11 CFR §100.24) For your next filing, please refer to the instructions for each line when determining the proper categorization(s).

Please note, you will not receive an additional notice from the Commission on this

matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
